

EXTREME JOURNEY SUMMER CAMP 2012

Your Mission: This summer, become a spy in the “Journey Intelligence Agency” to reveal the mysteries of history! You will assume the identities of those who lived here before us, face the same problems they faced, and then decide: **What Would I Have DONE?**

Should You Choose to Accept This Mission You Will: Canoe the Potomac River, cycle the battlefield at Gettysburg, hike the trails at Harpers Ferry, bike your way down the C&O Canal towpath, investigate the landscape of Antietam, farm at a freedman's cabin, and explore James Madison's Montpelier to uncover secrets of the past. Then use the clues you discover to create your own mini-movie about what leadership means to you.

Adventure Open To: Rising 6th, 7th, and 8th Grade Students

When: July 16 through July 27 (Monday-Friday, Day Camp Only)

Cost: \$650 (limited scholarships available)

This price covers all charges for bus transportation, park admission, guided tours, bike and canoe rentals, snacks, and use of cutting-edge filmmaking equipment.

For additional information regarding camp registration contact: Blaine@jthg.org or call (540) 882-4929.

Media Release and Photographs

A particularly essential aspect of the Journey Through Hallowed Ground's *Extreme* Summer Camp is the use of technology and filmmaking software by the students. They will be operating video and digital cameras to make their own documentaries (vodcasts) about what leadership means to them based on the historical figures they learn about at each historic site. Their vodcasts will be posted to the Journey Through Hallowed Ground's webpage (<http://www.hallowedground.org/>) and on YouTube.

In addition, the photographs that students or their camp instructors capture may be used to provide information to the public about Journey Hallowed Ground educational programs and activities through the organization's publications and displays, in newspapers and other print media, on television, and in connection with the Journey's information provided on the internet.

It is important that we get permission from parents/guardians to have their child photographed or videotaped for use in media.

I grant permission for my child (named below) to be photographed or featured in any videotape, television, audio recording, or broadcast that will be produced by and available to the public from the Journey Through Hallowed Ground, or to the media.
